

Meet the TA

GEORGIA

I love science, I've always had an interest in it since I was at school. I also love colouring and doodling as I find it therapeutic

My favourite things to do in my spare time is go on days out with my children!

I hope that you're as excited as I am for this new school year! We've got a lot of great activities ahead.

"education is one thing no one can take away from you"
