

# Summer SEND NEWSLETTER

End of Summer 1 Term & Looking Ahead to Summer 2

## Dear Families and Carers,

What a fantastic half term we have had! Students have worked incredibly hard, shown amazing resilience, and taken part in lots of exciting learning opportunities across school. We are so proud of the progress, confidence and independence our learners continue to develop every day.

As we move into **Summer 2**, we have lots to look forward to across the curriculum, exciting enrichment activities, trips, sensory experiences and opportunities that help every child thrive and reach their potential.

We appreciate your continued support and look forward to working together for another successful and happy half term.

Every child is unique.  
Every voice is heard.  
Every day is a new opportunity to shine!
