

MEET THE TEACHER

Welcome to Safe Start School!

I'm Aimee Hallett and I am the
Thrive 2 Teacher and KS4
Curriculum Lead.

ABOUT ME

When I'm not in the classroom, I love to spend time with my family and get lost in a good book. Reading is one of my favourite ways to relax, and it's no surprise that my favourite subject to teach is English! I enjoy helping students find their voice through reading, writing, and creative expression.
