

Meet the Behaviour Lead

Gavin

Hello!

I'm the Behaviour Lead here at Safe Start School.

I've been part of the team for 2 years, and bring with me decades of experience working with young people in a range of settings.

Supporting pupils to manage their behaviour, build positive relationships, and develop emotional resilience is at the heart of what I do.

About Me

I love to go for long walks, spend time with my children, and play football or racket sports.
