

Meet the TEACHER

about me

Hi, I'm Will and I've been working at Safe Start School as the KS3 teacher for about two months now. I've been in the teaching profession for around six years and am really enjoying getting to know the students and staff here.

At home, I live with my wife and our two energetic children. Outside of teaching, one of my biggest passions is football. I've been coaching football for over ten years, and it's something I really love doing. It's a great way to connect with people and help them develop their skills and confidence.

I also want to share that I have ADHD, so I understand firsthand some of the challenges that come with it. If you're facing similar struggles, please know that you're not alone. I'm here to support you and help you find ways to succeed.

Looking forward to working with you!

my favorites

I absolutely love to travel and have been lucky enough to visit almost every continent—only two left, but soon it'll be just one! Traveling is amazing because I get to see new places and experience different cultures.

I love sports and enjoy most of them, but football is my true passion. I'm a big Liverpool fan (someone has to be).
