ABOUT ME

I've had the joy of working in education for 22 years. Guiding young minds is more than just a job to me. I'm deeply passionate about helping children grow not just academically, but into kind, confident, and capable human beings who are ready to make a positive mark on the world.

Meet your coach Jacqui

Introduction

My name is Jacqui

Hi, I'm a qualified teacher, coach and person-centered counsellor, and I'm here for YOU!

All About me

Hello! I'm a kind, friendly, and approachable teacher who genuinely believes that every one of you can achieve amazing things (yes, even on a Monday morning!). When I'm not in school, you'll likely find me either at the gym, wandering the hills, or chatting to cows—because honestly, who doesn't love a cow? I'm a big fan of chocolate, most animals, and ending the day curled up with a good book (and maybe more chocolate).
