

Meet the TA!

Corina

My name is Corina and I am
a Teaching Assistant and
Cook here at Safe Start
School.

All About me

I'm someone who loves to look after others – whether it's making sure everyone is well-fed or just being there when someone needs a bit of care and kindness.

Outside of work, my biggest pride and joy is my family. I love spending time with my children and grandchildren – they keep me busy, laughing, and feeling loved every single day.
