

# Meet the TEACHER

## about me

Hi I am Matt, I have been teaching maths for more than 2 decades at all Levels. I joined Safe Start School from The Manchester College and this year will be my second year at Safe Start School. I am looking forward to teaching the new batch of Year 10's and getting them ready for their GCSE's in year 11.

Year 10

## my favorites

Outside of work I enjoy walking my dog and travelling to different countries for holidays. I enjoy watching most sports, but I think football comes out on top. I have grown up kids now so that frees me up at weekends to go to different restaurants and try as many different foods as possible from various cultures around the world.
