

Meet the Head Teacher

Kate Collins

Welcome to Safe Start School!

About Me!

Hello! I'm Kate, and I'm incredibly proud to be the Head Teacher at Safe Start. I'm passionate about building a school community where every young person feels valued, supported, and inspired to reach their full potential.

Leading this fantastic school is a true privilege, and I'm dedicated to creating an environment where both students and staff can grow, succeed, and thrive.

My Favorites:

Outside of school, I enjoy drama and singing, and I regularly perform in shows throughout the year. These creative outlets help me stay energised and bring joy and positivity into my work.
